

Attendance Policy

Attendance Expectations

Our training location and the CRFHCCA board members would like to stress some expectations for training attendee's.

1. If you bring in food or drinks, please pick-up after yourself and dispose of all garbage.
2. Please turn cell phones on silence or vibrate.
3. Please respect others that are using the facility.
4. Please respect participants and trainers by not talking or being disruptive during the training class.

We have a great opportunity to form a lasting relationship with our sponsors. Please be respectful and responsible when using their facility.

Weather cancellations: In the event we must cancel due to weather, please check out KCRG TV 9. If you see that the current training location listed is closed, for any reason, this will mean our class is cancelled.

Attending meeting policy:

You must attend 4 training sessions per membership year to continue to receive referrals from the association. If you cannot make it to the required number of meetings then you must attend a board meeting. Board meetings will be held immediately following each training. Please contact a board member if you have any questions.
